

ICT-3DRFE Database - End User License Agreement

(<http://projects.ict.usc.edu/3drfe/>)

The person in request may download and use this database only after signing and returning this agreement form. By signing this document, the user agrees to the following terms:

1. Commercial and academic use

The database is made available for research purposes only. Any commercial use of this data is forbidden. For commercial use and capture, please contact Dr. Paul Debevec (debevec@ict.usc.edu) of the ICT Graphics Lab.

2. Redistribution

The user may not distribute the database or parts of it to any third party.

3. Publications

The use of data for illustrative purposes in publications is allowed. Publications include both scientific papers, and presentations for scientific/educational purposes. In this case, the identity of the subjects should be protected (no release of subject names).

4. Citation

All publications reporting on research that uses the database have to acknowledge this by citing the following two papers:

- Giota Stratou, Abhijeet Ghosh, Paul Debevec, Louis-Philippe Morency, Effect of Illumination on Automatic Expression Recognition: A Novel 3D Relightable Facial Database, IEEE International Conference on Automatic Face and Gesture Recognition (FG 2011), Santa Barbara, USA, March 2011
- W. Ma, T. Hawkins, P. Peers, C. Chabert, M. Weiss, P. Debevec, Rapid Acquisition of Specular and Diffuse Normal Maps from Polarized Spherical Gradient Illumination, Eurographics Symposium on Rendering, 2007

5. EULA changes

The ICT Institute at University of Southern California is allowed to change these terms of use at any time. In this case, users will be informed of the changes and will have to sign a new agreement form to keep using the database.

6. Warranty

The database comes without any warranty. In no event shall the provider be held responsible for any loss or damage caused by the use of this data.
